Our permitted business is to give advice and arrange on a range of financial products including but not limited to, pensions, collective investments (e.g. unit trusts, OEICs, ISAs and investment trusts), individual savings accounts, life and general insurance.

Scope of Advice

Truly Independent Ltd is able to act on your behalf in advising you on investments and non-investment insurance contracts. We offer products and services as follows:

- **Investments** - we offer an Independent advice service. We will recommend investments based on a comprehensive and fair analysis of the market. We place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will, however, only make a recommendation when we know it is suitable for you.
- **Non-investment protection contracts** - we offer non-investment protection products e.g. term assurance, income protection, critical illness and ASU from a range of insurers.
- **General Insurance Contracts** - we offer General Insurance contracts e.g. Buildings and Contents from a range of insurers.

Our Recommendations

Any advice or recommendation that we offer to you, will only be given after we have assessed your needs and considered

your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you might wish to place on the type of products you would be willing to consider.

Any advice provided will be confirmed to you in writing along with details of any special risks associated with the products recommended.

Communication

Unless you advise us otherwise, we will communicate with you via the following methods of communication: face to face, email, secure email via our personal client website, telephone, letter and fax.

Client Classification

We treat all our clients as "Retail Clients" unless you request otherwise. This means you are provided with the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Client money

Truly Independent Ltd is not permitted to handle client money or handle cash and we cannot accept a cheque made out to us (unless it is in respect of an item for which we have sent you an invoice).

Conflicts of Interest

We will act honestly, fairly and in your best interests. Occasions may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

Advice and Support

We are committed to providing the highest standard of financial advice and support. Your interests are very important to us and for any advice or ongoing support we provide we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon.

How we are paid - Investments and Pensions

- **Via Charges for Initial Advice:** We charge for our advice by way of an Initial Advice Fee. This fee is based on a percentage of the amount you invest. We offer you an initial consultation at no cost to you at which we will describe our services more fully and explain the payment options. You will pay for our services generally on the basis of fees (for investments and pensions). We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid.

Initial Advice Fee

- **Lump Sum Investment or Transfers (including Pensions):** You will pay us a fee for our recommendation and/or transaction of an investment product. The actual fee will be agreed with you and confirmed in writing. The amount will be based upon the amount invested, the amount of work to be undertaken and the overall assets under our advice. The fee will be no more than 4% of the amount invested. You will not be charged any more than the amount initially stated, unless we subsequently agree with you that the complexity of the work involved should carry a higher charge. This payment can either be taken from your investment upon receipt by the provider or paid directly by you.

We charge a minimum advice fee of £360.00 for all but pension transfers which have to be recommended and arranged by one of our Pension Transfer Specialists (PTS).

Example 1: If we arrange an investment on your behalf for £10,000 the fee based upon our maximum 4% would be £400. This amount is more than the minimum initial advice fee and is the maximum you would be charged.

Example 2: If we arrange an investment on your behalf for £5,000 the advice fee based upon our maximum 4% would be £200. As this is less than our minimum initial advice fee, you would be charged the additional £160, meaning the total initial advice fee would be £360.00.

Pension Transfer Specialist (PTS)

- For pension transfers which are referred to one of our Pension Transfer Specialists (PTS) there are two charges:
Charge 1: **A PTS Executive Summary Report** for which a fee of £500.00 for the first plan and £250 for additional plans will be charged.
Charge 2: An Initial Advice fee. The fee will be no more than 4% of the total transfer amount. We charge a minimum advice fee of £1,500.00

Example 1: Where the total transfer value is £30,000.00 the advice fee would be £30,000.00 x 4% = £1,200.00 as this is less than our minimum advice fee you would be charged an additional £300.00 meaning the total advice fee would be £1,500.00

Example 2: Where the total transfer value is £100,000 the maximum advice fee would be £100,000 x 4% = £4,000.00

- **Regular Savings or Investments (Including Pensions):** The minimum initial advice fee will be £360.00. The maximum charge will be calculated at 4% of the expected number of monthly contributions to a maximum of 120 (10 years).

Example 1: If your monthly contribution is £75.00 and you intend to contribute for 10 years, the initial adviser fee would be £75 x 120 = £9,000 @ 4% = £360, which is equal to

the minimum amount we charge. This can be paid by you either as a lump sum or can be deducted from your monthly contribution at £30 per month for the first 12 months.

Example 2: If your monthly contribution is £250 and you intend to contribute for 5 years, the maximum initial adviser fee would be £250 x 60 = £15,000 @ 4% = £600. This can be paid by you either as a lump sum or can be deducted from your monthly contributions at £50 per month for the first 12 months.

In order to pay by deduction from contributions the minimum regular contribution must be £60.00 per month gross. If your regular contribution is less than this you must pay the minimum advice fee of £360 to us directly either up front or by 12 monthly payments.

- **Via Charges for Ongoing Client Support for Investments and Pensions:** This helps us to continue to support you in working towards achieving your financial objectives. Details of our different levels of support are contained in our Client Support Agreement document for Investment and Pension Plans. We will discuss with you the full range of our ongoing client support facilities and the costs incurred for each level.

How we are paid - Insurance

- For non-investment contracts covering pure protection and general insurance such as term assurance, income protection, critical illness cover, accident, sickness and unemployment (ASU) cover, buildings and contents insurance we would normally receive commission from the product provider and you will receive a quotation telling you how much this will be before you apply for the product. If you prefer to pay a fee for this type of product, this can be arranged and, in this instance, the commission is usually rebated into the contract, which may or may not affect the premium.

For placing your assets onto the True Potential Wealth Platform

For placing any business on the True Potential Wealth Platform we are able to use the operational back office system of their sister company True Potential LLP (a non-regulated firm) free of charge. This additional benefit has no influence or bearing on any advice we provide but use of the system does, we feel, enhance the quality of the service we provide to you.

Other benefits we may receive

We advise on a range of products from a variety of firms; we may receive certain non-monetary benefits from these firms, which are used to enhance the quality of service we provide to you. Benefits we may receive include access to technical services, information technology support or the supply of product literature. Further information regarding any of these arrangements is available on request.

Information about other costs and associated charges

There may be other costs, including taxes, that are payable through other parties (such as the product provider) that we may not be party to. Such charges are normally disclosed in relevant third party documentation, for example in an illustration or in the Key Features Document.

VAT

Under current legislation our services are not subject to VAT but should this change in future, and where VAT becomes due, we will notify you before conducting any further work.

Cancellation rights

In most cases you can exercise a right to cancel by withdrawing from the contract. Generally you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension contracts and a 14 day cancellation period for all other contracts. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you. If you cancel a single premium contract, you may be required to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All policy documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Instructions

We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing.

Complaints

If you wish to register a complaint, please write to: Truly Independent Ltd, Pacific House, Parkhouse, Carlisle, CA3 0LJ or telephone 01228 406380.

A summary of our internal complaints handling procedures for the reasonable and prompt handling of complaints is available on request and if you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service.

Compensation Arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

- **Deposits:** 100% of £85,000 per person per firm (for claims against firms declared in default from 30 January 2017).
- **Investment:** Provision and mediation of investments: protection for 100% of £50,000.
- **Non-Investment Insurance:** Non-compulsory insurance provision (both general and life insurance): protection for 90% of the claim, with no upper limit. Cover for compulsory insurance is 100% of the claim with no upper limit.

The maximum level of compensation for claims against firms declared in default before 1 January 2010 is 100% of the first £30,000 and 90% of the next £20,000 up to £48,000 per person per firm.

Further information about compensation scheme arrangements is available from the FSCS.
